

# ST. MICHAEL'S COLLEGE SCHOOL

Under the direction of the Basilian Fathers

August 20, 2021

Dear Parents and Guardians,

We hope you have enjoyed a wonderful, relaxing, and safe summer break. As we draw closer to September 7, we know many of you are eager to learn more about our plan to deliver quality Catholic education in the tradition of the Basilian Fathers.

Please click the link below for our detailed Return to School Blueprint 2021-22. This is our roadmap for the upcoming school year which will help facilitate the safe return of students and staff to St. Michael's College School.

- [Return to School Blueprint 2021-22](#)

This plan is centred around a safe and full return to in-person learning in a non-semestered format with contingencies in place for hybrid and online learning should they be required due to community health directives. If these days have taught us anything, it is the need to be adaptable and responsive to challenge and change. The skills and mindset of the problem solvers of tomorrow are required for success in the future.

The Blueprint will outline the confirmed details and structure that will guide us through the 2021-22 school year. Although there are still some uncertainties as is the nature of the pandemic, we are committed to exceeding expectations in meeting the learning needs of every student while balancing community health and safety. Living life is not without risk and we all have a responsibility to support and protect each other. At SMCS we will continue to be diligent and responsive to the safety and well-being of the community.

We look forward to reconnecting with you and your sons in September.

Mr. James McKinnon  
Principal
