

ST. MICHAEL'S COLLEGE SCHOOL

Under the direction of the Basilian Fathers

August 27, 2021

Dear Parents and Guardians,

As indicated in the St. Michael's College School (SMCS) Return to School Blueprint 2021-22, SMCS strongly encourages COVID-19 vaccination for all those who are eligible. We are also requiring that parents and guardians disclose their son's COVID-19 vaccination status. This information will be used to inform the school's response and protocols in case management in the event of a suspected or confirmed case of COVID-19.

Please complete this vaccination disclosure form by Wednesday, September 1, including;

- a) Proof of his vaccination status (one or two doses), OR
- b) Formal/official documented medical reason for not being vaccinated.

Proof of vaccination can include a copy of the receipt provided at the time vaccination, or a formal/official document from a medical practitioner. You can also go to covid19.ontariohealth.ca to access your receipt.

SMCS will only collect, use, and disclose information regarding all individual students' vaccination status in accordance with its Privacy Policy and all applicable privacy laws. Proof of vaccination, formal/official medical documentation, and medical or related information will be secure and confidential.

Additional safety expectations for unvaccinated students will include:

- 10 day isolation period determined by high risk contact tracing, and negative COVID test prior to return to school;
- regular rapid antigen testing, provided by the school. Further details are forthcoming, expect twice a week.
- possible exclusion from partnership opportunities and activities outside the grade cohort (TBD due to policies of partner organizations, including sport).

Thank you for being partners in our work to bring life to a new year of learning and growing at SMCS. Please [click here](#) to complete your son's disclosure form.

After submitting the form, you will be asked to check your email for final confirmation. Please ensure to confirm your email by clicking on the link provided. We will not receive the form until this step is completed.
