

# ST. MICHAEL'S COLLEGE SCHOOL

Under the direction of the Basilian Fathers

August 30, 2021

Dear Parents/Guardians,

Re: [student name]

Action required: Daily COVID Screening Form

St. Michael's College School will continue using its daily digital COVID screening form during the 2021-22 school year. This is a mandatory requirement for all students and staff entering the building. Beginning Tuesday, September 7, you will begin to receive daily email reminders to complete this form.

Parents are responsible for completing the form daily and forwarding a copy of the approval page to your son's device. The form must be shown to the Safe Officers each morning prior to entering the school. Students who do not have a 'Cleared for School' result will not be admitted into the building.

Click [here](#) for instructions regarding access and use.

We ask families to please test and practice the process this week to prepare for a smooth and unintrusive beginning to opening day next week.
