

# ST. MICHAEL'S COLLEGE SCHOOL

Under the direction of the Basilian Fathers

October 23, 2021

Dear Parents and Guardians,

We are pleased to announce that Toronto Public Health has concluded its investigation into our positive COVID-19 case and determined that due to our protocol and follow-up there was no additional exposure risk to our students or staff.

As a result, we are happy to report that our entire school community may resume regular activities immediately and in-person learning on Monday, October 25.

Thank you to our families for their continued support in ensuring our school continues to offer in-person learning, and for your patience and understanding as we navigate through school exposures.

Enjoy your weekend and we look forward to welcoming our students back to the campus on Monday morning!

Sincerely,

Mr. James McKinnon  
Principal
