

ST. MICHAEL'S COLLEGE SCHOOL

Under the direction of the Basilian Fathers

April 12, 2021

Dear Parents and Guardians,

Today, the Government of Ontario announced all elementary and high schools will remain online following April break for an indefinite period of time. We anticipate that this may continue through the final evaluation period.

A revised schedule for the final evaluation days will be announced by the end of this week. The final evaluation and course completion days will occur in an alternative online format within the current schedule. Students will complete their Block One courses by April 30 and continue with our final block on May 3.

As with most things these days, we will continue to provide the best learning experience possible under these fluctuating conditions. We continue to consider the amount of pressure the uncertainty of our situation places on the outcomes for students. Well-being is as important as achievement. Our boys have completed at least 80% of this block's course work and have done well even when faced with constant change. We remain deeply committed to ensuring our students are well-equipped for a strong finish to the school year and are prepared for future success.

More to come.

Thank you for your patience and support.

Sincerely,

Mr. James McKinnon
Principal
