

# ST. MICHAEL'S COLLEGE SCHOOL

Under the direction of the Basilian Fathers

February 16, 2021

Dear Parents and Guardians,

We are excited to welcome the students back to in-person learning today. As you may have noticed, there were changes to our daily screening tool this morning. Please see the attached [Toronto Public Health letter](#) outlining new screening requirements as of Friday, February 12.

We all experienced a palpable energy as students arrived at school today! Please continue to encourage social distancing outside, upon arrival at the school. We need to keep as safe in here as we do out there. We look forward to continuing our work together in maintaining a safe learning environment and keeping the boys at school.
