

ST. MICHAEL'S COLLEGE SCHOOL

Under the direction of the Basilian Fathers

May 4, 2021

Dear Parents and Guardians,

Understanding that we continue to receive multiple messages on COVID-19 vaccination plans and infection prevention strategies, we have been asked to share this most recent update from Toronto Public Health (TPH).

[The letter](#) outlines an update on the vaccine roll-out and details on a TPH livestreamed information session on Tuesday and Wednesday of this week.

We continue to monitor our regional situation daily, looking for improved conditions and opportunities to get students back at school as soon and as safely as possible.

Keep well.

Sincerely,

Mr. James McKinnon
Principal
