

# ST. MICHAEL'S COLLEGE SCHOOL

Under the direction of the Basilian Fathers

October 14, 2020

Dear St. Michael's College School Community,

I hope this note finds you well and enjoying the fall.

In the Office of Admissions, we are looking ahead to next year's enrolment with great anticipation.

To that end, we are preparing for our Virtual Open Houses, which are our main Admissions events.

Our Virtual Open Houses will take place on Thursday, October 22 and on Tuesday, October 27 at 7:30 p.m. and will include an online presentation, a live Q&A webinar with the Admissions Team, and a self-guided virtual 3D tour.

Please share this invitation with your family or any young men whom you believe have the makings of a St. Michael's College School student. It might be a nephew, a lad on your son's team or in his music programme, or a young man in your church community.

We would be most appreciative if you would consider inviting this young man and his family to learn more about St. Michael's College School at one of our Virtual Open Houses. If you know any interested families who are unable to attend one of our virtual open house events, please encourage them to contact us at [admissions@smcsmail.com](mailto:admissions@smcsmail.com).

Families interested in attending one of our Virtual Open Houses are invited to register at [applysmcs.com](http://applysmcs.com).

We thank you for your participation in sharing our St. Michael's College School spirit.

Best regards,
