CURRICULUM NIGHT AT SMCS

As a new school year begins, there is a great deal of anticipation as to how the year will unfold. This year, there is likely even more uncertainty and questions. At our annual curriculum night, an opportunity will be provided for parents to get informed on the academic experiences their sons will have this year.

You are cordially invited to our Virtual Meet the Teacher and Curriculum Night on Thursday, September 24 at 6:40 p.m.

On this curriculum night, we will follow our Block 1 schedule followed by our Block 2 schedule.

Classes commence at 6:40 p.m. sharp with an opening prayer.

Each classroom visit will provide:

- An overview of the course
- Teacher's expectations
- Evaluation procedures
- Homework expectations
- Other related information

Please note: this evening does not allow time for parents to discuss the individual progress of their sons. It is only an information evening. Student progress can be discussed at future parent evenings or by e-mailing or phoning your son's teacher.

Parents will receive a Zoom link no later than noon on Wednesday, September 23.

We look forward to connecting with you.

Mr. James McKinnon
Principal
