Under the direction of the Basilian Fathers

September 23, 2020

NEW Daily COVID Screening Form - action required

Dear Parents/Guardians,

Effective September 28, 2020, St. Michael's College School will begin using a new digital screening form for the daily COVID-19 health check.

This is a mandatory requirement for all students and staff entering the building. Beginning Monday, September 28, you will no longer receive the Edsby screening form.

You will not receive any form of prompt to complete this screening. Parents are responsible for ensuring that it is completed each day a student enters the school. Students who do not have a "Cleared for School" result, will not be admitted to the building until the screening has been completed.

Please find attached the instructions for access and use.

Login credentials will be sent to you this week via email.

Thank you for your cooperation.
