Under the direction of the Basilian Fathers

Critical Request of Parents/Guardians

September 9, 2020

Dear Parents and Guardians,

To ensure students are well before entering the school each day, we require that you complete daily screening verification via Edsby.

It is extremely important that you complete the daily screening form **EACH MORNING** prior to your son arriving to school. (This currently replaces the EduSafe app, which would require the same attention)

A new form will be delivered to the mailbox of your parent Edsby account each day that your son is scheduled to attend school in person.

Although we have put many measures in place to mitigate risk, the greatest risk is ensuring everyone who attends is in good health to best of their knowledge. Thank you for your diligence in completing this form daily.

Students who do not have parents/guardians complete the form prior to arrival may have learning time interrupted as we will need to follow up with parents/guardians on the daily acknowledgement.

We realize there have been many communications in the past few days as we work through the opening of school in these unique times. Thank you for your patience and attention to this particularly critical action required by our parents/guardians.

Thank you.

Mr. James McKinnon
Principal
